The Ethics of Cloning

Directions: As you watch the videos, “Hello Dolly: One Controversial Sheep” and “The Ethics of Human Cloning,” jot down notes and quotes as they pertain to the ethics of cloning or trying to replicate life.

Expert	Scientific Inquiry or Reaction	Expert’s Opinion on the Ethical Implications of Cloning
President Bill Clinton	Established Bioethics Commission; banned human cloning	
Dr. Ian Wilmut	Created Dolly, a cloned sheep	
Dr. Cynthia Fitch, biology professor, and students	Discussed cloning with students at Seattle Pacific U.
